INTERNSHIP EXPERIENCE

AMO Mobility Solutions

Sales & Marketing Intern

April 2026 – July 2026

Noida, Uttar Pradesh, India

- Evaluated market expansion opportunities across Indian states through data-driven analysis of EV adoption trends, economic indicators, and market attractiveness metrics, building the underlying analysis in Power BI, SQL, and Python notebooks.
- Designed a distribution channel framework for a proposed state market entry, factoring dealer and channel profitability.
- Built business feasibility models and risk assessment frameworks to guide distribution network planning and sales growth.

Bluestock

Data Analyst

May 2026 – July 2026

Remote

- Engineered a Python/SQLite pipeline across 12 datasets, computing 30+ KPIs over 1,184 company-year records for 92 firms.
- Built an investment screener with 15 filterable metrics, 6 preset strategies, and a weighted 0-100 composite quality score.
- Added peer percentile ranking across 11 peer groups and KMeans segmentation of 92 firms into 5 financial archetypes.
- Shipped an 8-screen Streamlit dashboard and 16-endpoint FastAPI service, automating 91 tearsheets and 11 sector reports.

TechVariable

Software Developer

Aug 2022 – Nov 2022

Guwahati, Assam, India

- Refined UI/UX interfaces using JavaScript and React, streamlining the customer journey and lifting digital user engagement.
- Contributed to daily sprints and rigorous code reviews in an Agile setup, eliminating 80% of technical bottlenecks/bugs.

ACADEMIC PROJECT

- Plant Disease Detection (2022): Built a CNN to identify plant diseases from leaf images at 86% accuracy for early detection.
- Hotel Reservation System (2021): Developed a responsive booking website streamlining online reservation and browsing.

CERTIFICATIONS

- HTML, CSS, and JavaScript for Web Developers — Johns Hopkins University, Coursera (2025): front-end web fundamentals.
- Microsoft Excel from Beginner to Advanced — Udemy (2025): formulas, data modeling, and dashboard visualization skills.

POSITIONS OF RESPONSIBILITY

Media and Public Relations Cell, IIM Bodh Gaya

Media and Public Relations Representative

2025 – 2027

Bodh Gaya, Bihar, India

- Served as the official face and communications lead for the Media & PR Cell, engaging faculty, students, and key vendors.
- Orchestrated cross-functional communication by managing centralized email correspondence for all institute committees and clubs, streamlining inter-departmental workflows and ensuring professional engagement across internal verticals.

Pixel Journey

Person of Contact

2025

Bodh Gaya, Bihar, India

- Designed a year-round content campaign sustaining organic reach and brand visibility between major institutional events.
- Sourced authentic visual narratives from students, faculty, and staff via photography and videography across campus life.
- Managed a curated content pipeline that neutralized seasonal engagement drops and sustained steady audience retention.
